NEWCOMER CHAMPIONSHIPS SPORTS ARABIANS Most important Sport Event for purebred Arabian Horses

by Elisabeth Chat ■ photos by Christian Kellner

Since many years together with the prestigious European championships for Arabian Sporthorses two more Championships are offered. Masters or open Austrian Championships also qualify for the European Championship Finals and the more and more important Newcomer Championships. On the four days event the first day is for warm up and to settle the horses and riders after the journey to Vienna from all over Europe and some years also from UAE.

This Newcomer Championship should give the young riders, young horses a serious chance to reach a title without the concurrence of the old stars.

The level of the Newcomer Championships is medium, in all the same disciplines as the other two Championships: Classic Pleasure, Hunter Pleasure, Dressage, Show Jumping, Ladies Side Saddle, Western & Classic Traditional Arabian Riding, Reining, Trail, Western Pleasure, Ranch riding.

The classes are open for all participants with all horses. For the Title Newcomer Championship only this horse/rider combination is accepted who had never before reached either a 1.st 2.nd or 3rd place in Master/ Open Austrian Championships or the same in European Finals. But to have all riders in the classes for collecting points for the European All Around Championships they all start together. This shows also the Newcomers where in the normal ranking their result is placed.

Special Trophies, ribbons & sashes are given to the Newcomers! The second day – Friday- is always the day of this Newcomer Championships.

First time we do a report of each of these three Championships. Here the NEWCOMER Championships results and report and photos. In the next issue the Masters Championships will be reported.

This year two famous horses & riders dominate the Newcomer Championships:

LOGGIA the chestnut mare bred in Michalow and owned by Gut Fronleitenhof AUT ridden by Susanne Schuh won three GOLD Medals!! TRAIL, Western Pleasure & Ladies Side Saddle. Loggia was very well trained by Susanne Schuh and did her best!

The other extraordinary horse & rider was Neele Schlichte & Al Ashar from Germany. The grey stallion was shown in an extreme good Show Jumping style and result. Neele was also with her 11 years the youngest rider of the whole event. Not one mistake they did! Starting with the title in Newcomer Championship they went through to all other Championships up to the Europeans with no faults!!

Also new in the family of riders of this event was Daniela Entner with her very talented gelding Erasmus with GOLD in Dressage. Followed by many very good other results.

The bay mare Baikal's Shangrila & Leona Böck, both after babybreak, could show in Ranch Riding their great talent and received the GOLD medal.

Ranch Riding and Hunter Pleasure was first time a Championship class.

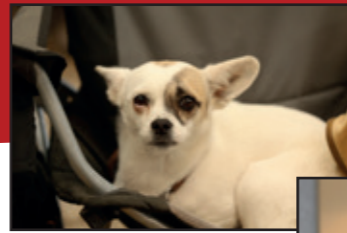

Newcomer Hunter Pleasure Champion was reached by a very good Showjumper: stallion Ojinegro Qahira & Antje Aigner GOLD.

GOLD in Reining won with extreme correct circles and very good speed & very correct flying leadchanges, one of the best Reiningriders of Austria Sebastian Eisler with the shortly to this discipline changed stallion NAIN the last Drug son.

Reining is as Dressage a difficult discipline where correctness and control over the horse is very important. The need of a large arena for training was in this corona times not possible. But Sebastian showed NAIN in the best way.

Since several years Traditional Arabian Riding is in two classes split: western & classic.

Gold Western Julia Heindl & mare Zahim´s Alina from Germany with very loveley costume and Classic Helena Byrne and gelding Galahad from Denmark.

Friday evening after the first Championships is always a welcome dinner for all riders & followers by the FAS organizers to meet & great. □
