Date of Registration

The "Date of Registration" is defined as the date at which the relevant national registry declares that the horse has been accepted for registration. National Registries will be responsible for confirming the date of registration. Entries must either present the relevant registration certificate or enclose, with the entry form, a letter by the registrar confirming that registration will be completed before the first day of the show.

- **General Classes**

Classes of the following categories are recognized by EAHSC:

- foals (males and females, or combined; see also "Foal Classes" below),
- colts (junior males, 1-3 years old),
- fillies (junior females, 1-3 years old),
- stallions (senior males, 4 years+),
- mares (senior females, 4 years +),
- geldings (junior (1-3 years old) and senior (4 years+), or combined (1year+)).

The Show Organizers may arrange the age groups within these categories to best suit their entries and to avoid any imbalance in the size of the classes.

The maximum number of horses shown shall not exceed 100 per day.

No horse under 6 months of age may be shown without its Dam.

No pregnant mare will be shown more than 40 weeks after the last date of covering. It is recommended to bring a valid breeding certificate to the show. The Handler must produce a valid breeding certificate upon request of the DC.

All open classes, with the exception of foals, are qualifiers for the World Championship, A and Title shows.

Foal Classes

In those shows where foal classes are held:

- a) Foals may not compete in EAHSC Championships, nor will they qualify for any future Title, A or GCAT Show.
- b) When foal classes are organized at EAHSC affiliated shows, the EAHSC Rules will apply.
- c) Foals must have a minimum age of four weeks at the date of the show and must be shown at foot (with the dam) up to 6 months of age. Orphaned or rejected foals under six months cannot be shown.
- d) The use of metal halters and halters with metal chains is forbidden.
- e) A comparative judging system is recommended.
- f) All the rules pertaining to foal classes must be clearly indicated in the schedule and the catalogue.

European Arab Horse Show Commission

Blue Book 2025

Rules for Affiliation of Shows

- g) With regards to stricter rules for the welfare of foals, organisers may introduce their own rules as long as these are presented to ECAHO for approval prior to sending out the schedule and are clearly stated in the show schedule and catalogue.

Foals - for identification purposes:

Foals under six months shown in foal classes with their own mother need no special documentation, but the mother must have all necessary documents.

Foals over six months shown without their dam, foals from Embryo Transplant or foals with foster mothers which are shown in foal classes and do not yet have a passport, must be micro-chipped and in possession of a copy of the official Stud Book Registration form, showing the micro-chip number and the graphic description of the foal.

Championship Titles

There will be three prize winners in each category - Junior Males, Junior Females, Senior Males, Senior Females and Geldings (junior and senior or combined):

Champion Gold Medal, Silver Medal, Bronze Medal.

If there are sufficient yearling entries and the Show Organizer wishes to hold separate Yearling male and/or Yearling female Championships, there will be three prize winners in each of these categories.

The Rules for Championships must be clearly explained in the Schedule and the Show catalogue.

If a category is represented by only one class, the ranking in that class may be used as a Championship ranking for that category.

Qualifying places

If a category is represented by more than one class, these are considered qualifying classes for the respective championship of that category. If the Top 5 system is not used, then at the discretion of the organizer, the top 2 or the top 3 of each class qualifies for the championship. This choice may vary per category, but it must be stated clearly in the schedule and the catalogue.

Top Five System

This system is optional for any show, provided there are a sufficient number of horses present:

The top 50 % of each class minus one, but not more than 5 horses, qualify.

e.g.: 5-6 starters → places 1 - 2 qualify
 7-8 starters → places 1 - 3 qualify
 9-10 starters → places 1 - 4 qualify
 11 and more starters → places 1 - 5 qualify

- has been bred or is owned in whole or part by the official or by a member of the official's family, or business partner in an Arab horse business venture
- has been leased by the official, at any time
- has been bred by or is the property of a breeding organization in which the official is or was an employee
- has been regularly trained, examined or treated by the official in a professional capacity

- has worked as DC at a show and then as judge at another show in the same country (or any GCAT shows), where many of the same horses may be present, less than one month (30 days) later.

An actual or apparent conflict of interest may further occur, amongst others, if the Official, irrespective of the payment or receipt of a remuneration or any other consideration, during the period of one year (365 days) before a show at which the Official officiates:

- has entered into any business relationship with an exhibitor at that show,
- Has received, whilst being involved with the organization of any show or event, sponsorship from an exhibitor at that show or event.

European Arab Horse Show Commission

Rules for Conduct of Shows

This does not apply to those events organized on behalf of a National Association which is a Full Member of ECAHO, as long as the Official has no financial benefit from the sponsorship.

- has performed consulting for an exhibitor at that show,
- has purchased or sold a horse from or to an exhibitor at that show,
- was involved with the breeding of a horse of an exhibitor at that show,
- was involved in similar activities with an exhibitor at that show.

In case of doubt, the DC's decision will prevail.

Any Official must decline to officiate if they consider themselves to have a conflict of interests concerning a horse, its' handler or its' owner(s).

13. b) If, during the show a conflict of interests of which the exhibitor was un-aware becomes apparent, the following options are available:

- i) if the official with the conflict of interests is a judge or probationer judge,
 - the judge or probationer judge will suspend his/her duties for the duration of the class and the championship where the conflict exists
 - a published reserve judge or another judge from the judges' panel may be used for the class and the championship where the conflict exists
 - if the above mentioned (i) is not applicable and if no reserve judge is available or there are no more members of the judges' panel, the total points in the class will be multiplied by the factor of planned number of judges divided by the actual number of judges, to calculate a comparable score in case of ties in championships
- ii) if the official with the conflict of interests is a DC member, this DC member will not check the horses concerned either in the stables before the show or in the collecting ring or issue any yellow or red cards for the duration of the class and respective championship.

If the DC member is an employee of the Show Organizer, this DC member must not write the DC Report. Another member of the DC from the ECAHO list of DCs, who has no connection to the Show Organizers, will write the Report.

- iii) if the official with the conflict of interests is a Ringmaster, this Ringmaster may be replaced for the duration of the conflict by:
 - a reserve Ringmaster
 - a member of the acting DC

All aspects concerning actual conflicts of interests and their consequences will be recorded in the DC report.

14. All officials will receive a list of exhibitors and breeders from the organizer immediately after the official closing date of entries. Any later entries will be communicated without delay.

Judges will not consult the show catalogue before or during the show at which they are judging.

15. In the show ring, all communication between judges and handlers prior to the presentation of prizes will be through the Ringmaster.

16. Judges may withhold any award if in their opinion the exhibit does not merit such an award.

17. The judge, or if more than one, the panel of judges may request that the ring master show a handler a yellow or red card if they consider that there is abuse to a horse or that there is misconduct.

Conduct of Halter Classes

18. All handlers at A shows, GCAT shows, Title Shows and the World Championship must be in possession of a valid handlers permit which they must present to the DC in order to participate in the Show.
19. Handlers will be neatly dressed. They may wear any costume normally worn in their country of origin. Handlers will not wear clothes carrying any form of advertising which discloses the connection of the horse they are handling.
20. The judge(s) may request that the ringmaster order any horse that is not under control and/or displays dangerous behaviours to be withdrawn and the horse shall be disqualified.
21. The judge(s) may request that the ringmaster ask a handler to open a horse's mouth or pick up its feet for inspection.
22. Exhibits are to be judged standing, walking and trotting. No more than three circles will be permitted in each individual presentation. Handlers who do not comply with the ring master's instructions regarding the above may be given a Yellow/Red card by the ring master.
23. a) Horses will appear in the collecting ring no less than 10 minutes before the start of the class.
b) Exhibits that appear late (missing the walk around the ring) will be excluded from the class.
c) **Procedure in the Collecting ring**
No more than 2 persons are allowed to assist the handler in the collecting ring. These persons as well as the handler should wear the number of the horse, to identify them clearly. Anybody not wearing a number relevant to a horse in the respective class will not have access to the collecting ring. The show organizer must provide three sets of numbers per horse to all exhibitors.
Only one person is permitted to assist the handler during the warm-up, using only a standard schooling whip with an attachment of plastic of max. 10 cm.
All other support or aggravation from inside or outside the collecting ring is prohibited.
Horses may be warmed up in the collecting ring, but to avoid injuries and overstressing the horses, they may only be lunged in big circles at a modest pace. Any chasing, hunting, or scaring of the horse is forbidden.
24. a) Stallions and colts aged three years and over may be shown wearing bridles and bits that are both secure and comfortable for the horse. All bridles without bits are equally to be both secure and comfortable for the horse.
b) The lead reins for all horses must be no longer than 3 m.
c) Any horse that is not under control and/or displays dangerous behaviour anywhere on the showground will be disqualified.
d) Any horse that is disqualified for dangerous behaviour will be reported to ECAHO without delay and will be sanctioned by the SDC as appropriate to the severity and the recidivity.
25. a) Any horse becoming loose in the collecting ring is subject to a penalty (of a fine not exceeding 100 €) at the discretion of the DC.
b) Any horse becoming loose in the show ring will immediately continue to be shown and is subject to a penalty (of a fine not exceeding 100€) at the discretion of the DC. Should the horse become loose a second time it will be disqualified.
26. All horses that are awarded a ranking in their respective class must take part in the Class prize giving ceremony. Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present. Absence of the horse or any representative to appear in the prize giving ceremony will disqualify the horse from the show, with its record of score in the Class being deleted and it will be sanctioned according to Rules for Disciplinary Committees article 16.

European Arab Horse Show Commission

Blue Book 2025

Rules for Conduct of Shows

In the event of a disqualification, all horses placed behind the disqualified horse will move up one place in the Class ranking.

During the prizegiving ceremony, the horse may only be on the lead of the designated handler or substitute deemed capable at the discretion of the Ringmaster/DC.

Soundness

27. Exhibits that appear to be lame may be assessed and placed by the judges. Judges may exclude any horse so lame that assessment will inflict pain.

Rules for adapting score sheets

28. Judges may record their scores using paper score sheets or electronic devices. If paper score sheets are used, organizers are expected to provide scoresheets with pre-printed score-options which judges can circle to indicate their scores. Judges are not allowed to write scores.

Electronic devices, for example tablet systems, may be used but can be subject to audit by ECAHO appointed experts to confirm proper functionality and logging at any time.

Regardless of the scoring system used, once the judge has submitted a score, either by handing off a scoresheet or by sending the data from an electronic device, the Judge cannot amend or change the score. Only technical omissions such as missing scores and/or missing signatures may be corrected upon request of the scorekeeper.

Disguising of Exhibits

29. No alteration of the basic colour of the skin, coat or hooves is permitted. Hoof paints, colourless varnishes, coat dyes, glitter spray and cosmetic operations including skin grafts are forbidden. Tail and mane hair extensions are forbidden.

Colourless hoof oils, Vaseline or oil and white chalk used on white legs will be accepted.

30. Artificial methods of dilating the eyes or affecting the natural action of the horse or otherwise influencing its action or behaviour by oxygenating the bloodstream or by the use of weights or artificially weighted shoes, or by electrical or chemical treatment of any kind at any time before or during exhibition are forbidden.

Burns, cuts or other marks on the body of any exhibit in such places or positions as to indicate that prohibited methods have been used will be regarded as full and adequate grounds for exclusion of any exhibit from competition, at the discretion of the DC with veterinary advice.

31. a) In halter classes horses may be fully or partly body-clipped, subject to eyelashes being left uncut, hair inside the ears left unshaved and tactile hair left intact around the nose, muzzle and the eyes. Horses not fulfilling these criteria will not be allowed to participate. "Balding" is not encouraged.

b) No equipment intended to alter the natural appearance of the horse is permitted in the stables, including but not limited to necksweats, neck collars, tailracks, hobbles or weights. Anyone using such equipment on the showground will be sanctioned according to Rules for Disciplinary Committees article 16.

32. Hereditary disorders

- a) Overbite/underbite

Overbite/underbite of more than depth of 1 tooth is not permitted. Horses 12 months old and older cannot compete unless they have a veterinary certificate to verify that they do not have overbite/underbite.

Geldings do not need a veterinary certificate of hereditary disorders in order to compete.

- b) Cryptorchidism

Colts 24 months old and older or stallions cannot compete unless they have a veterinary certificate to verify that they do not have cryptorchidism. If the colt's condition changes, and upon a completed veterinary certificate, the horse is then eligible to compete.

Rules for Conduct of Shows

In case of doubt, the DC is allowed to carry out spot checks.

Anybody submitting an incorrect declaration not corresponding to the true condition of the horse will receive a fine of 500€. The original of the declaration of such horse will be kept by the DC.

Cruelty

33. Excessive whipping, excessive stimulation by noise, excessive circling of the horse, intimidation, use of electric shock devices and infliction of pain by any means are forbidden in all parts of the showground or stable areas, at all times.

Abusive shanking is not permitted.

34. The above actions will be sanctioned.

Enforcement

35. **Verbal warnings:** DC members, Ringmasters, stewards or show officials may issue verbal warnings. These are not recorded in the DC report.
36. **Yellow and red cards** may be issued by DCs and Ringmaster in the collecting ring and the main ring. They are issued to a handler and are a visible and public indication of an offence having been committed. The date and offence will be recorded in the DC report and must be made public by announcement at the show and/or on the ECAHO website and/or other usual means of communication of ECAHO.
37. **A yellow Card** may be issued if there is a further offence after a warning or it may be issued without such warning.
38. **A red Card** will be issued if the handler receives a second yellow card for having committed a further handling offence during the same show. The offender will then be banned from handling any horses for the rest of the show in which he receives the red card. The horse being shown by a handler when he receives a red card may be shown by another handler at the end of the class. In the event of a serious offence involving mistreatment or dangerous behaviour, DCs may issue a red card without prior warning.
39. a) Any handler disobeying the instructions of any DC member, judge or the ringmaster will be sanctioned. Such sanction can be visibly and publicly indicated with yellow and red cards.
b) Any handler who receives two yellow cards or a direct red card at a show will be fined 1000€.
c) Any handler who accumulates five yellow cards at different shows during the calendar year will receive a fine of 1000€
In both cases the fine must be received in full by ECAHO before handler can present horses again in any ECAHO affiliated show.

Veterinary Matters

40. Horses with apparent clinical signs of a disease may not participate at the show at the discretion of the DC Veterinarian. If the DC Veterinarian diagnoses apparent clinical signs of a contagious disease, the horse must be immediately put into quarantine and may not participate at the show.
41. Vaccination regulations for shows will require 12 months intervals normally, or shorter where local/national authorities mandate it. Such shorter intervals to be shown on the entry form (see Addendum – Equine Influenza Vaccination page 59).
42. All Veterinary treatment necessary at the show ground must be carried out according to ECAHO Veterinary regulations. The person responsible for the horse will ask the vet who treats the horse to complete a treatment form and present it to the DC-vet at the show. Any treatment given to a horse immediately prior to a show should be recorded on a treatment form by the treating vet and presented to the DC upon arrival at the show.

Rules for Ties and Championships

Rules for Ties in Qualifying Places

In the event of a tie in the qualifying places of a class, the higher place will be given to the horse with the most points for type. If there is still a tie, the higher place will be given to the horse with the most points for movement. If the highest and lowest points are eliminated, only the remaining points for type and movement are considered in the tie break. Failing a decision on either of these, one judge will be chosen by ballot whose class scores will be used to break the tie.

Rules for ties in Championships

In the event of a tie in the championships, the higher place will be given to the horse with the highest total points in the qualifying classes. If the highest and lowest points are eliminated, only the remaining points for total, type and movement are considered in the tie break. If there is still a tie, the rules for ties in qualifying places will be applied.

Rules for Championships

The organizers may decide which method to apply in their Show:

- a) Standard ECAHO method
- b) Standard ECAHO method with a modification
- c) Open method

European Arab Horse Show Commission

Blue Book 2025

Rules for Ties and Championships

a) Standard ECAHO method

1. Championships will be judged as follows:
 - a) The horses placed first in their class line up ordered according to age. The horses placed second in their class line up behind them in the same order.
 - b) The first placed horses will be judged individually, standing and trotting.
 - c) The Champion Gold medal winner is selected from amongst the horses placed first in their class by individual written votes from each judge. The horse with the highest number of votes will be Champion Gold medal winner. In the event of a tie, the horse that received the highest number of points in its class will be declared Champion Gold medal winner. In the event of a further tie, the "Rules for Ties in Qualifying Places" will apply.

If Top 5 system of qualification is used, all qualified horses of a category - Yearling Males, Yearling Females (where appropriate), Junior Males, Junior Females, Senior Males, Senior Females or Geldings - come into the ring. All first placed horses stand in the front row, all second placed horses in the second row, all other horses (places 3.-5.) in the third row. The judges select their Champion Gold medal, Silver and Bronze medal winners according to the rules for Championships. The judges will then select two more from all the remaining horses which together with the three medal winners form the Top Five.

The judges will not discuss the horses.

2. The Silver medal winner will be selected in the same way as the Gold medallist from all other horses that have qualified for the Championship.
3. The Bronze medal winner will be selected using the same system used to select the Silver medallist.

The votes of the judges in the Championships will be announced and will be published at the show office immediately after the judging has finished.

4. A fourth horse will be selected, which will become the Bronze medal winner should one of the three medal winners be disqualified. If this exhibit is not apparent from the voting papers, the judges will be asked to nominate one. This horse will not be announced. In the event that two or more of the medal winners are disqualified, no further substitution will be made.
5. If a horse placed first in its class is not able to take part in the Championship, the horse placed second in the class will move forward and be judged with the other horses placed first. Should a horse placed first be sent out of the ring by the judges or taken out by the handler for any reason, it will be deemed to have taken part in the championship and, therefore, the second placed horse will not be judged with the other first placed horses. Substitutions for absent first-placed or second-placed horses by third-placed or lower-ranked horses will not be permitted.
6. All horses that qualify for their respective Championships must take part in the Championship. Unless a certificate from the DC veterinarian is produced, failure to compete will disqualify the horse from the show, with its record of score and class placing being deleted and the horse being disqualified from showing for the period of one year as from the date of the show. In the event of a disqualification, horses placed behind the disqualified horse will move up a place in the class but third or lower placed horses will not be entitled to enter the Championship.
7. All horses that are awarded a medal in their respective Championships must take part in the Championship prizegiving ceremony.

Unless the DC decides otherwise in which case any representative of the horse may accept the medal without the horse being present, absence of the horse or any representative to appear in the prizegiving ceremony will disqualify the horse from the show with its record of score in the class and championship placing being deleted and the horse being disqualified from the showing for the period of one year from the date of the show.

Should ECAHO not receive the full amount of the estimated costs within the time stipulated these proceedings will be terminated. The request for a hearing will have no suspensory effect on any penalty imposed by the SDC.
 - c) The SDC shall provisionally suspend a horse from participating in any show prior to the opportunity of a full hearing if that horse was tested positive for prohibited substances (A sample or B sample). If a provisional suspension is imposed by the SDC the person responsible may submit to the SDC a short statement in writing in order to show cause why the provisional suspension should be lifted.
